

Navitas data protection policy

1. Who is responsible for the data we collect?

Navitas studentförening, org. nr 802456 – 6245, located at Navitas studentförening c/o Kårallen, Linköpings Universitet, 581 83 Linköping, is responsible for the collected data.

2. Which data do we collect?

The collected data includes first name, surname, email address, field of study, year of study, and liuid.

3. What is the data used for?

Navitas saves this information to keep statistic of the number of members, the distribution among fields of study, and to share information via newsletters.

4. How is the data collected?

The data is primarily collected in connection to registration of membership. In some cases, data is also collected in conjunction with lecture and events, for the reason to keep statistic of the attendance at the event or lecture. Lastly, data is also collected for recruitments.

5. For how long is the data stored?

Data regarding membership is saved in 3 years, and is thereafter removed unless extended membership, or a transition to the alumni network, is requested by the member. In regards of alumni membership, the data is stored until the member choose to leave the network. All other data collected in connection to events, lectures, recruitments etc. are removed as soon as they no longer are needed.

6. To which other parts are the data shared?

Navitas do not share the information with any external part.

7. How is the data protected?

The data is stored in a membership register which only the board of directors in Navitas have access to. The information is not shared with any other part.

8. Your rights

You have right to know which information we keep and has therefore the right to ask for a transcript of these. You also have the right to have your information updated or corrected.

9. Cookies

Navitas uses cookies. Cookies is used to give you the best experience when you visit our webpage. Read more about cookies at our webpage.
